By joining Edmonds Winery wine club you will receive 3 wine selections a year. You can select a 2-bottle, 4-bottle, 6-bottle or 12-bottle package. In addition, you will receive a 15% discount on all wines purchased at the winery*. You will also receive exclusive offers and early preview opportunity for new releases. Any tasting fee will be waived when you visit the winery. You will be presented with a member card as well.

Our wines are all small batch hand crafted wines and we pay particular attention to the level of alcohol in the wine. We strive to have all our wines be in the mid 13% alcohol range. We look closely at vineyard management for the highest quality fruit available when we source our fruit.

We will charge your credit card for the current retail price of the wine to be shipped less 15% plus sales tax, where applicable, and shipping and handling when the wine is shipped. You can also pick up at the winery. You may cancel your membership at any time.
